I have been living in Bremer Bay since 2009. I am married with two sons and run an accomodation business in the area, being involved in many clubs and committees over the years such as the Bremer Bay tennis club, the Bremer Bay School council, Bremer Bay Trails committee and the St John Ambulance.

I am Passionate about the local education system as our boys attended the local schools over a ten year period. I feel that our community offers a safe, comfortable and accepting environment for our children to learn.

As the shire grows we need good eduction and medical services for young families to be able to access locally. These are both high on the list when people are considering a move to the area.

I believe the Shire of Jerramungup has bright future, with families wanting to enjoy this beautiful part of the world like we have.
